Our Church

We would like to extend you a very warm welcome to Croxley Green Baptist Church and we hope you feel relaxed and at home here.

We are a community of people of all ages who are discovering that following Jesus makes sense and gives purpose to our everyday lives. We look to Jesus for God's new life and want to share it with one another and with the wider community of Croxley Green and wherever life's journeys take us. You are most welcome to join us as you journey through life. GOD IS Father, Son and Holy Spirit, creator, saviour and sustainer of the world, our source, goal and guide in life. Maybe you are just beginning to explore Christian faith and would like to know more? Please speak to any of us about the various ways you can find out more about what makes us followers of Jesus.

Communion

We have an open table approach.

Anyone who has a love for Jesus and would like to share in communion is very welcome.

Discipleship Groups

We have six regular Discipleship Groups that meet on a fortnightly basis. Our groups meet on various days of the week, both during the day and in the evenings, mostly in people's houses (but we also have one that meets in the pub!) We provide these groups with topical material for guided prayer that runs in parallel with what we're worshipping at Church on Sundays to allow these groups to go deeper with their faith.

Whatever your needs, I'm sure we have a Discipleship Group that would "fit you"; please speak to Dave Gregory for further information.

Christianity Explored

Periodically we run a small informal group called Christianity Explored. Christianity Explored offers an introduction to Christian faith, where we look at the life of Jesus and his connection with our lives. Contact Dave Gregory for further information.
